

# A Community Arts Collaboration

**Arts of Point Richmond:** An association of over 100 artists in Point Richmond and beyond, using art to beautify community, promote cultural, racial and age diversity in art and make art available to all. Check out our website at [artsofpointrichmond.com](http://artsofpointrichmond.com) and consider becoming a member (QR code below).

**Washington School:** A dual Spanish/English language immersion school (preschool to 6th grade) with students from all over Richmond, where principal and teachers are working to make art an important part of the learning process.
